I am thrilled to be working at St. Andrew's Christian School in the Flex position. I get to see all sides of how the school operates and am able to interact with so many students on a daily basis. My son Henry loves this school and we are a blessed family because of the relationships we have formed at this school!

I have a Bachelor of Arts Degree from The University of California at Santa Barbara with majors in History and Anthropology. I also have a Masters Degree in the Sociology of Law from Antigua Universidad (IISL) in Onati, Spain.
